

Board-Operated Adult Service Programs The Lake County Board of Developmental Disabilities

COVID-19 (coronavirus) Update 03-19-2020

As the COVID-19 situation has continued to evolve, we have greatly appreciated all constituents' understanding and support. We have maintained our Board-operated Adult Service programs open as an option for those individuals, families, and providers who are in need of these programs and services, and to provide enough time for those individuals, families, and providers to make alternative arrangements.

The last day for Board-operated, facility-based Adult Service programs (Willoughby Branch, Broadening Abilities, JCR Imagine, and Vocational Guidance Center) to remain open to community individuals and providers will be **Friday, March 20, 2020**, and will remain **closed to community individuals and providers** until further notice.

The Board's Provider Support (440-350-5123) and Service and Support Administration Departments (440-350-5145) remain open and accessible to address concerns, provide support and guidance through these challenging times.

Respectfully,

Elfie Roman, Superintendent

Lake County Board of Developmental Disabilities/Deepwood
