

Friendship Connection

#commUNITY2ME

Being a Friendship Connection means participating in bimonthly activities with an individual who has a developmental disability for the enrichment of both of your lives. The process begins with an application and interview so that we can get to know you — your likes, dislikes, personality, background, interests, and where you live and work. This helps us determine the best partner for your Friendship Connection.

Start today by completing the volunteer application. Visit www.lakebdd.org/volunteer-opportunities.

For more information, call 440-918-5173 or email Lynnmarie.phillips@lakebdd.org.

Individuals eligible for County Board services apply for Friendship Connections. They also tell us what they like, dislike, where they live, work and/or go to school so that we can better understand who would be a good Friendship Connection for them as well.

We currently have a waiting list of people seeking Friendship Connection partners. Help us make a difference in someone's life—including your own. Make a Friendship Connection today.
