I. SUBJECT: USE OF FACILITIES

II. PURPOSE:

To permit the responsible use of LCBDD/Deepwood buildings and properties by community groups and/or organizations.

III. POLICY:

Buildings and other LCBDD/Deepwood facilities have been constructed for the purpose of providing comprehensive services to Lake County citizens with developmental disabilities. The Board recognizes, however, that these facilities are primarily supported by the residents of Lake County and may be made available for use by the general community as limited below. In order to ensure that such use does not interfere with the regular use of these facilities, impose undue burden upon personnel, or strain funds allocated for building services and maintenance, all community use of LCBDD/Deepwood facilities shall be subject to policy. Applications for use, procedures for use, and fee schedules may be provided to any community group or organization wishing to use the facilities by contacting the Operations Department.

A. Eligibility Statement

Facilities may be used by Lake County community groups or organizations for giving instruction in any branch of education, learning, or the arts; holding educational, religious, civic, social or recreational meetings and entertainments and for such purposes as to promote the welfare of the Lake County community; provided such meetings do not conflict with use for LCBDD/Deepwood individuals and are inclusive and open to the general public.

USE OF FACILITIES

Facilities will not be used to conduct any activity for any personal or private financial gain nor used for any money-raising activity unless the proceeds are for approved charitable, educational, character-building, or other community welfare purpose.

The Recreation facilities may not be used by private individuals or families without a fee, except in the case of use of outdoor recreation site facilities (e.g. picnic areas, hiking trails). Families of LCBDD/Deepwood individuals need prior approval and may or may not be charged a fee for use of the Recreation facilities. Fee may be waived upon authorization of the Superintendent.

All facilities may be used by LCBDD/Deepwood Program Areas/Individuals providing the use is associated with LCBDD/Deepwood Individuals and does not interfere with the regular use of these facilities. If such a request would involve the necessity of maintenance service/personnel or food service/personnel, the Program Director will complete a Use of Facilities form and submit to the Operations Director upon receiving approval of the event from the Superintendent or designee per Board Policy A-43 Agency Calendar of Events and Special Events. The Operations Director will authorize use of Maintenance and/or Food Services (with concurrence of Nursing Director) and distribute the signed Use of Facilities form to the applicant, Marketing Manager, Building Director, Building/site Coordinator, and Food Service Operations Manager, as applicable.
