

## PATHWAYS TO CAREERS SUMMER PROGRAMS

### **ELECTRICAL TROUBLESHOOTING/SOLDERING**

**Dates:** July 10th-July 20th

**Days & Time:** Mon., Wed. and Thurs. from 3:00-6:00 pm

**Location:** Electrical Lab of Auburn Career Center

Learn to use a multimeter to troubleshoot electrical issues.

Learn to solder small wires in electronics.

This class will include training on the Snap-on digital multimeter used in many industries including automotive, electrical and engineering.

### **HEALTH CARE: CPR, STOP THE BLEED® AND FIRST AID**

**Dates:** July 10th-July 20th

**Days & Time:** Mon., Wed. and Thurs. from 3:00-6:00 pm

**Location:** Emergency Medical Technician Classroom of Auburn Career Center

In this series of classes, students can earn 1-3 healthcare certifications that can be used in any industry and in any job setting.

Students will learn the correct and safe way to stop bleeding and how to save a life with three quick actions.

Students will also learn the proper CPR and First Aid procedures to prepare for and respond to emergencies.

### **MANUFACTURING FUNDAMENTALS**

**Dates:** July 10-July 20

**Days & Time:** Mon., Wed. and Thurs. from 3:00-6:00 pm

**Location:** Production Tec Lab of Auburn Career Center

In this class, students will work hands-on and be exposed to machining tools. Learn to use machines and tools to create small parts.

Training will include proper safety procedures that must be followed in the lab.

**CLASSES ARE IN SESSION**
