

Community Relations

Volunteer Services

Volunteers enrich the lives of the individuals we serve and foster community awareness regarding developmental disabilities. Participation in activities can have a positive impact on individuals who have developmental disabilities, our staff, our community, and the volunteers themselves.

No matter your age or interest, we're sure to have a way for you to get involved—and we're open to new ideas! Whether your availability is on a weekly basis, one hour a month, or sporadic, we can explore what options meet your time commitment and interests. Some activities are at on-site while others are out in the community.

Volunteering is an opportunity to share your time and talents to enrich someone's life. Your presence alone can be the highlight of someone's day.

A variety of choices are available to match volunteers with an activity, whether in a group or one-on-one setting, such as:

- Craft club
- Singing/dancing
- Therapy dog visits
- Guest readers
- Sport activities
- Broadmoor School activities
- Music therapy
- Swim/fitness
- Book club
- Recreational outings
- Special Olympics
- Seasonal/special events

It's easy to become a volunteer:

1. Contact Volunteer Services at 440-350-5172 or volunteer@LakeBDD.org.
2. Complete a volunteer application.
3. Finish the required online training.

A background check is required for anyone who volunteers more than 40 hours per year or volunteers at Broadmoor School.

Individuals under the age of 18 years must have parental/guardian permission.

If you would like more information, please email volunteer@LakeBDD.org or call 440-350-5172.

Lake County Board of Developmental Disabilities/Deepwood

Empower individuals with developmental disabilities to engage in activities that enrich their lives and contribute to their community.
